

# Henbury

Corporate Luncheon

2016

## About our School

Henbury School is a strong and vibrant Special Needs High School located in Darwin for students 12–18 years with mild to severe intellectual disability or with multiple disabilities. The school provides exciting, innovative programs with connections to mainstream Middle and Senior Schools in Darwin. The school's aim is to provide opportunities for all students with special needs to become active participants in the community.

## About the Event

In 2010 our school, in conjunction with the Darwin Convention Centre, hosted the inaugural "Henbury Corporate Luncheon". This was a huge success- it is now known as *Darwin's Biggest Corporate Christmas Party!* Guests are treated to a lavish 3 course Traditional Christmas Lunch, a generous beverage package, a high standard of entertainment, a live auction, mega raffle and loads of fun. The generosity of previous guests has enabled our school to add to our innovative programs through the purchase of equipment for our Sensory rooms; allowed us to purchase specialised musical instruments and resources to further enrich our music therapy programs; gifted our students with iPads and the innovative Tobii Eye Gaze, which allows our students to communicate with the power of their eyes; and contributed to the expansion of our Enterprise Education Program.

## Our Goal

At Henbury School, our goal is to remove or eliminate barriers for all our students. Students with a disability encounter daily obstacles that make it difficult for them to participate fully in education, recreation and community life. Public events and functions should be available to everyone. A Special Needs bus that allows four students in wheelchairs as well as ambulatory students to travel together will improve personal wellbeing and lead to enhanced "social capital" by engaging more people in the community and better reflecting community diversity. We aim to raise \$80 000 to outfit a purpose built bus so our students can experience inclusion in education, recreation and community life.

## Your Sponsorship Opportunity

We are seeking cash and gift donations. Henbury School is endorsed as a deductible gift recipient. Please refer to the sponsorship packages options. All sponsors will be acknowledged by certificate, inclusion in the Henbury School Yearbook (which is given to all businesses who have supported Henbury School throughout the year) and have their logo or name displayed at the Luncheon.

Please see the attached Sponsorship Packages, complete your Sponsorship Pledge and return it as soon as possible. For further information please contact Principal, Carolyn Edwards, or Sarah Corry on 8997 7077.
