***“A community event promoting services, organisations and opportunities for people with a disAbility”***

Henbury School with the support of the NT NDCO, Julie Forrest-Davies, are coordinating the **2017 PossABILITIES Expo**, formerly the “Henbury Youth and Disability Expo.” This year’s expo will be held at the new Henbury School campus.

## **Our goal is to:**

- Reach more people in the community through increased promotion of our event
- Give the audience opportunities to participate in interactive activities.
- Have key organisations run and/or sponsor workshops in conjunction with Henbury School’s enterprises in a “Try a Skill” format.
- Have breakout information sessions with key stakeholders in the industry where the audience can pose questions relevant to them.
- Host panels of guests on a main stage to talk about their organisation and the services they provide.
- Provide the opportunity for present and past students of Henbury School to talk about their experiences and journey through, “An interview with today’s Youth.”

## **What we are looking for:**

- Organisations, services and businesses to support this event by either;
  - Holding a stall both interactive and/or informational
  - Being part of a guest panel
  - Hosting a break out session
  - Hosting a ‘Try a Skill’ activity independently or as part of the Henbury School Enterprises
  - Provide donations of cash, goods or services to enhance the event and for lucky door prizes.

**What we need from you:**

- Keep the 6<sup>th</sup> of April free to attend our event as a guest or a participant
- Fill out the attached information form and email to [sarah.corry@ntschoools.net](mailto:sarah.corry@ntschoools.net)
- Forward this information to other interested parties in your network
- Help us promote this event in the community
