Working together to support school-aged students on the autism spectrum

Palmerston  
Wednesday  
9 August 2017

# Free 1 day workshop for parents and carers of school-aged students who have a diagnosis of, or are suspected to be, on the Autism Spectrum.

## *What will you gain from this workshop?*

- \* An increased understanding of the impact of Autism.
- \* Further knowledge about how to develop effective partnerships with your school.
- \* Information to help you access further support both inside and outside of school.
- \* An opportunity to be part of a support network where you can share strategies and experience with other parents and carers.
- \* An understanding of a planning tool that can be used to share key information related to your child.
