Dear Students

**Re: Thank You Card**

On behalf of all the staff at Royal Darwin and Palmerston Hospitals, I would like to thank you for your lovely card. The staff at Royal Darwin Hospital appreciate your kind thoughts and words.

Everyone is very impressed to hear that you are all practicing social distancing and washing your hands on a regular basis. Keep up your good work and continue keeping our community safe.

Attached is a photograph of some of our dedicated staff with your card.

Thank you for your thoughts.

Kind regards

Allison Grierson
