Transition and Pathways Information Session

How to prepare for life after school

In place of the annual school PossABILITIES Expo we are holding an information session for parents and carers outlining how to prepare for your student's transition from school

All families are invited to attend, however we strongly encourage families of students in Years 10, 11, 12 to take the opportunity to attend and learn more about the transition steps ahead and services and post school options available

We have invited a small cross section of service providers that are integral to the post school transition process - including NDIS services and coordinators, Centrelink, post school employment and day program providers, and employment and recreation services

When:	Term 2 Week 2 Wednesday 28 th April 3:15pm – 4:45pm
Where:	Henbury School Hall, café will be open for free light refreshments
