

#### Option 4

Our school will be involved in B Part of It NT, a study of the meningococcal B vaccine. The licenced vaccine is safe and proven to protect against meningococcal B disease, a rare but severe disease.

If you child joined the study in previous years, you don't need to sign another consent for them this year.

Please read the information contained in the online information sheet and consent form <https://is.gd/BPartofitNT>. If you want your child to join the study, please fill in the student's details and sign the online consent form.

To access the vaccine your child will need to book and attend a clinic at Darwin, or Palmerston. A study nurse will contact you with a link to book an appointment.

If you want to find out more information about the study please contact the study co-ordinator at: [MeningococcalB.Study@nt.gov.au](mailto:MeningococcalB.Study@nt.gov.au);

ph: **08 8922 8025** You can also ask for a hard copy of the information and consent form if you prefer to fill it out on paper.
