- Craters on the moon
- The rings of Saturn
- The poles of Mars
- The moons of Jupiter
- Open clusters of stars
- Globular clusters of stars
- Galaxies
- Lava flows on the moon

## Henbury School Star Gazing Family Event

Wed 31<sup>st</sup> May 7:00pm to 8:30pm

This is an open invite to for Henbury and Outreach students to attend this star gazing event held at CSC's oval located on Rothdale Rd, Moil.

Many of our students have been learning about space in their Science programs and this is a chance for students to view space through three really cool telescopes with experts in the field!

Students who attend must have a guardian or parent with them at all times. The whole family is welcome.

Please tear off the below slip if you wish to attend as there are limited numbers available and return to the Henbury School Office.

---

### Expression of Interest

We will be coming to look at the stars at Casuarina Senior School on May 31<sup>st</sup> 7pm to 8:30pm
