

PARAP POOL REDEVELOPMENT

HAVE YOUR SAY

Parap Pool is getting a makeover with two new competition standard pools and now we want to know your ideas to make this a great community space. We want the new facility to offer more than just swimming - it should be a place where you can come and relax, be active, meet people and celebrate.

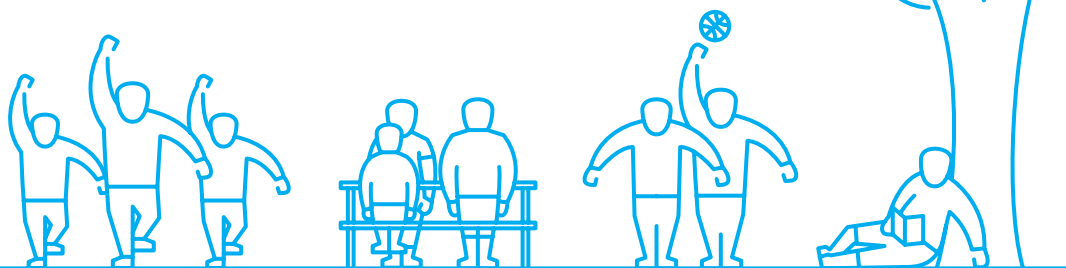

Parap Pool was built in the 1960s, and was the first major community facility provided by Council for the people of Darwin to enjoy.

IMAGINE YOUR GREAT PLACE

We want you to think big. What are the 'must haves' for you in the redevelopment? What would make the new Parap Pool a place you feel proud of, want to share with your friends and visitors to Darwin?

Whether you come on your own, with a family and friends, or maybe you come to play, picnic, relax or be healthy.....we want your ideas.
